

Food For Thought

Student Breakfast And Lunch Account Information

Did you know that you can check your meal account through your PowerSchool account?

Did you know that you can add money to your meal account from our website? (www.bhschools.org click on govpay).

Keeping your lunch account current helps keep the line moving. We make it simple, there are lunch envelopes available in the offices of both schools. There is a deposit box in the office of both schools to drop your filled out envelope in. We

also accept credit/debit cards through the govpay link on the schools website. (www.bhschools.org)

As a reminder:
We do not accept cash at the registers to assist in making sure you have time to eat.

If you are just needing a milk for lunch and you have your milk money in your lunch box, you will need to turn that in to either your teacher or the box provided in the office before your lunch.

All deposits turned in to the office/teacher are required to be turned in by 10:00 am to ensure availability for lunch that day. Deposits made after 10:00 am, will be entered on the next school day.

Use your PowerSchool account to check your meal account. Check under Lunch.

Do you qualify for the National School Lunch Program?

Do you qualify for the National School Lunch Program (NSLP)?

Fill out an application and find out. It is really easy and Melisa at the District Office will be able to let you

know right away if you qualify.

Situations change unexpectedly all the time. Please don't wait until your account is past due, save your self some time and money by filling out the application and finding out.

Contact Melisa Booten at the District Office (618) 585-3116 ext: 221, or print and complete the application that is online under the Foes Services tab.

Q:

What do you get from a pampered cow?

A: Spoiled milk.
