

TO: Bunker Hill School Parents

FROM: Macoupin County Public Transportation

RE: School Transportation

Are you looking for safe, convenient transportation for your children to get to and from school and they are not eligible to ride the district bus? Macoupin County Public Transportation is offering transportation to and from Bunker Hill schools for the 2016-2017 school year. Students who live within 1 ½ miles from their school are eligible to ride with MCPT for a \$20.00 a month pass. Our buses will pick your child up at their home, drop them off at school, and bring them back home at the end of the school day. Seats are limited! Please call the MCPT office at 877-600-0707 to find out how to register your child.
